P.2

File No. Medical Degrees II/50 (N)

219

Notification.

Health and Local Government Department

Bombay Castle, January 1950.

The Indian Medical Degrees Act, 1916.

No. .- In exercise of the powers conferred by section 3 of the Indian Medical Degrees Act, 1916 (VII of 1916) the Govt. of Bombay is pleased to authorise the State Medical Faculty, Bombay to exercise the right specified in the said section.

By order of the Governor of Bombay

Deputy Secretary to Government.

dt. 20-6-'50.

DM 3016

Legal Department.

The proposal to include in the Schedule to the Indian Medical Degrees Act, 1916, the State Medical Faculty, Bombay, is misconceived. There is no provision in the Act under which any authority can be included in the Schedule. Section 3 of the Act however, empowers the State Government to issue a notification by which it can authorise any authority other than those specified in the Schedule to confer, grant or issue degrees, diplomas, licenses, certificates or other documents stating or implying that the holder, grantee or recipient thereof is qualified to practise Western Medical Science. Such a notification has already been issued by Government in the General Department in 1943 -see G.D. notification No. 4905/33, dated the 19th October 1943. Under that notification theState Medical Faculty of Bombay has been authorised to confer, grant or issue in British India, diplomas, licenses, certificates or other documents stating or implying that the holder, grantee or recipient thereof is qualified to practise Western Medical Science. Unless that notification has ceased to be in force or it is intended to authorise the State Medical Faculty of Bombay also to confer degrees, no further notification seems to be necessary. The Department is requested to consider the position stated above the verify if any further action is necessary.
